University College of Science and
Technology
92 APC Road, Kolkata-700009
India

Registration Fees

Online Participation:

ISE members: Nil

Non-ISE members: Nil

Offline Participation:

ISE members: Nil

Non-ISE members: ₹ 250 Only

Registration is Mandatory for Participation

Design thinking is a human-centered problem-solving approach to create innovative solutions through the development of interventions for the benefit of the end users. In the symposium three eminent speakers will share their views on design thinking in different domains. At the end, all observations will be focused on the application of interventions for the benefits of informal works.
