<b>ICOH 2024 Opening ceremony</b>	28 April 2024

**Enhancing occupational health research and practices, closing the gaps!**

The 34<sup>th</sup> International Congress on Occupational Health will host **Dr Elisabethe Weiderpass**, International Agency for research on cancer Director, France, as opening keynote speaker in the Opening Session on Sunday 28 April 2024, with her keynote: **“Global cancer burden due to occupational exposures”**

Dr Elisabethe Weiderpass, MD, MSc, PhD, is a cancer researcher. She is an expert in cancer epidemiology and cancer prevention. She took office as IARC Director on 1 January 2019. She previously served as leader of the Department of Research at the Cancer Registry of Norway, and of the Genetic Epidemiology Group at the Folkhälsan Research Center in Finland. She was a Professor of Medical Epidemiology at the Karolinska Institutet in Stockholm, Sweden, and a Professor of Cancer Epidemiology at the Arctic University of Norway. She is the author of more than 700 scientific publications in peer-reviewed international journals.
