

A GLOBAL VISION OF PREVENTION

Sands Expo and Convention
Centre, Singapore

**High-level
Special Event
at the Singapore
World Congress**

Sun 3 Sept 2017,
09.30 - 11.30

Future forms of work and impact on occupational safety and health

There are global trends concerning the future of work, but there are differences among individual countries and sectors. High-level experts will share their global and national perspectives on Future forms of work, one of the ILO's Centenary Initiatives at this event.

The Ministry of Social Affairs and Health, Finland, International Commission on Occupational Health ICOH and Ministry of Manpower, Singapore invite you to be a part of the Global Dialogue on a burning issue that affect us all.

We are inviting 150 participants from international organisations, heads of delegations, high-level OSH experts to an early start of the Congress. Free participation, but please register at:
<http://bit.ly/2tby6nM>.

The language of the event will be English and there will be no interpretation.
