CHAIRMAN'S FOREWORD

Welcome to ACOH 2026!

On behalf of the Academy of Occupational and Environmental Medicine, Malaysia (AOEMM) and the Asian Association of Occupational and Environmental Health (AAOEH), it is my great pleasure to invite you to the 24th Asian Congress on Occupational Health (ACOH 2026)!

Building on the success of ACOH 2023 in Daegu, Korea, we are preparing a dynamic and impactful programme that brings together experts, practitioners, researchers, policymakers, and industry leaders from across Asia. ACOH 2026 will feature:

- Robust scientific sessions on emerging issues, research, and innovations.
- Workshops and interactive discussions led by experts.
- Networking opportunities with peers, policymakers, and industry leaders.
- Cultural and social experiences, showcasing the richness of Sarawak and Malaysia during Visit Malaysia Year 2026.

This website will be your hub for updates, registration, and programme highlights. Stay connected and join us in shaping a healthier, safer, and more sustainable future for workplace and environmental health.

We look forward to welcoming you to Kuching in August 2026 for a transformative congress.

Dr Abu Hasan Samad

Congress Chair,

24th Asian Congress on Occupational Health (ACOH) 2026

President,

Asian Association of Occupational and Environmental Health (AAOEH)

President,

Academy of Occupational and Environmental Medicine, Malaysia (AOEMM)

OBJECTIVES

FOSTER COLLABORATION AND KNOWLEDGE EXCHANGE

Unite occupational health experts and practitioners from across region to share ideas, best practices, and cross-cultural insights – building a stronger global understanding of workplace health challenges and opportunities.

SHAPE THE FUTURE OF OCCUPATIONAL HEALTH

Provide a platform to explore sustainable, future-ready approaches that address evolving workplace conditions, new technologies, and global challenges.

PROMOTE SCIENTIFIC RESEARCH AND KNOWLEDGE SHARING

Highlight cutting-edge research and innovations, bridging the gap between theory and practice to ensure workplace solutions are informed by evidence and real-world needs.

STRENGTHEN ACADEMIC-INDUSTRY COLLABORATION

Connect researchers, academic, and practitioners to drive evidence-based strategies that advance occupational health and safety worldwide.

WHO SHOULD ATTEND

Occupational Health Physicians

Industry Leaders

Industrial Hygienists

Safety Professionals

Environmental Health Experts

OSH Coordinators

Occupational Therapists

Government and Regulatory Officials

Public Health Professionals

Students
(those pursuing career in occupational health and safety related field)
